# Principal Message

*SALIM Sekena*

Dear Graduates,

I am glad and pleased to see you all grow healthily and complete the six years of primary education at IDPMPS.

There are unforgettable moments that came across my mind while I am writing this message to you. I remember the athletic team who received the medal on stage at the Kowloon North Athletic Meet. I remember the volunteers who helped to check and re-arrange the board games in the HappyLand. It's fantastic to see you on Campus TV conducting various programmes which were both interesting and educational. Most of all, I am proud of your immense talent.

Many times, the guests who were amazed by your professional performances at the school functions, asked the questions about how you did it. Deep in my heart, the answer is simple: They are IDPMPS Smart Kids who possess unceasing dynamics and unleash their potential at all times!

IDPMPS Smart Kids are filled with kindness. I am proud to see you participating in the community volunteer work such as the Flag-selling day, visiting the elderly at the elderly centre and so on. In school, you expressed your care and love as being a big brother and big sister to help younger peers with their homework problems during the tuition time. The Reading Buddies were teacher's greatest partners in strengthening the school reading atmosphere. IDPMPS Smart Kids are the people who shape the world's future with harmony and wisdom!

My dear graduates, as your Principal, I am genuinely pleased with your positive, well-rounded development. Though there are challenges ahead of you, I am sure you, as IDPMPS SMART KIDS, have the courage, confidence and patience to meet them. You also have a love for learning to improve yourself, then conquer all obstacles.

**KNOWLEDGE IS THE POWER, DON'T STOP LEARNING!**

**KINDNESS IS THE PATH TO SUCCESS, DON'T STOP LENDING  
YOUR HELPING HANDS!**

*Congratulations Class of 2020!*

# Messages from Teachers 師長贈言

6A Class teacher  
Mr Yu Kwok Kin

To P6A graduate students,

I started teaching in IDPMPS two years ago. 5A was my first class as a class teacher in IDPMPS. Time flies so fast, and I cannot believe that the end of school is almost here. June came, and as the class teacher of 6A, we knew that graduation days were soon. It is difficult to say goodbye to 6A students. During these two years, it was amazing to see all of our class students grow up and become more mature.

In your future, you may face difficulty in studying or in jobs. You may feel frustrated, sad, or want to give up. Here I will share a story on how to overcome the challenge. This story is about Albert Einstein. In 1929, a young man who was not successful in his life and wanted to ask suggestions from Albert Einstein. He asked Albert Einstein about what the formula for success is. He smiled for a minute and answered to him:

*"If A is success in life, I should say the formula is  $A=X+Y+Z$ . X means to work hard, Y means to play hard, and Z means to focus on your work."*

I hope all P6 graduate students can understand the success formula from Albert Einstein when you are facing difficulties in your future. If you put in the effort and use the success formula, you will surely achieve success from the failure. I hope all of you have an enjoyable and meaningful life in the future. You'll never walk alone!

轉眼間，同學們從一個傻乎乎的小孩，成為了一個大孩子了。六年的學習時光既美好又難忘，還記得你們在一年級的時候剛剛踏入校門的情景嗎？家人依依不捨地把你們交在這大家庭手上，就從那刻起，校長、老師用愛澆灌出你們對學校的熱愛。

學校每次舉辦的活動，對外比賽和表演，你們都積極參與，給學校增光彩，我們都見證著你們的成長與興奮。短短的六年，你們告別了天真、稚氣和依賴，學會了自立，培養了自信，迎接未來的挑戰。希望在我的人生路上有幸再與你們重逢吧！

廖志偉 老師

人生真是有點不可思議，許多事情在之後回想起來總是那麼神奇，兩年的相處創造了各種珍貴的回憶。

小學的生涯即將結束，無論你今後身在何處，我都會祝福你，相信總有一天我們會再度重逢。

昔我往矣，楊柳依依，今我來思，雨雪霏霏。祝大家前程似錦！願你是航船，在知識的海洋中乘風破浪；願你是雄鷹，在廣闊的天空中翱翔！

# Messages from Teachers

Mr Law Wai Kei

Dear 6A,

Congratulations! Time has come and gone so quickly. It has been an amazing journey watching everyone of you grow. I got to know most of you since P.5 when I was your G.S. teacher. Being your English teacher this year, I got to know you more and more.

This is a very special year. We haven't seen one another for a very long time because of class suspension. The learning mode was entirely changed from face-to-face to online platforms. This is really a big challenge for both of us. However, we can't avoid changes. They are everywhere, big or small, good or bad. It might take us some time to get used to changes but I'm sure we can work them out eventually!

There is one thing I hope you would never change – your kindness. "Cleverness is a gift, kindness is a choice. Gifts are easy – they're given after all. Choices can be hard. You can seduce yourself with your gifts if you're not careful, and if you do, it'll probably be to the detriment of your choices. In the end, we are our choices. Build yourself a great story." Jeff Bezos, the Amazon founder and CEO, said in a graduation ceremony.

Are you ready?

Ms Lit Sze Wah

Music is the strongest form of Magic. I'm so PROUD of all 6A students that all of you could play IDPMP School song with your own recorder. Remember boys and girls, music takes time and practice make perfect. I'm so lucky to be the music teacher of your class 😊 Wish you all the best!

Ms Poon Shiu Wai

Dear 6A graduates,

Congratulations!

I still remember the days when I was your class teacher at P4. You were little kids and always needed teachers' guidance. Till now, you have made a big change for the better. I am delighted to see you all change to be educated teenagers possessing wisdom and independent thinking.

Finally, wish you all good health and a promising future.

Ms Kwan Tsz Yan

Dear 6A students,

It is my honour to be your Visual Arts teacher this year. No matter you are having great interest in Visual Art or not, please always remember to hold your brush and enjoy drawing. Drawing is a great way to release yourself whenever you face with difficulties. I wish you all a bright future.

Ms Sharon

Dear graduates,

Congratulations on your graduation! School life in secondary schools will have lots of good memories, as well as plenty of challenges and difficulties. Be brave and believe in yourself whenever anything happens. You will see your talents and potentials! :)

6B 班主任  
劉詠恩 老師

致 6B 班畢業生：

時光荏苒，轉眼間我在伊鮑小的兩年就匆匆過去了，回想起當初來到的時候，就是你們五年級的時候，兩年過去，這正代表了今年你們要畢業了，快要成為中學生了，想你們定必十分期待成為中學生吧？這也是你們人生另一個階段的開始。

這兩年來，我看到你們確實成長了不少，這是我覺得十分欣慰的。當我初來本校，成為你們班主任的時候，我覺得是一項挑戰！首先要學習你們的文化，而且也要學習跟你們溝通，也要了解非華語學生學習中文的困難，有時看到你們很想學好中文，但是礙於你們的中文根基未算穩固，因此你們頗為吃力，但是有些同學並沒有放棄，每每在課堂後也會來到教員室找我發問，令我也知道自己不可鬆懈，要繼續努力學習，去學習如何令你們得到最好的教導。

老師要對你們說出這件事的原因，就是想你們知道「學如逆水行舟，不進則退」，即使是老師，也要「學到老，活到老」，你們在人生的任何階段，也要記住老師這番說話，我相信是終生受用的！

6B Class Teacher  
Mr Amer Hussain

Dear 6B Class,

**I have been your class teacher for three years and as the time pass on I started to love you more and more. Everyone of you is very special to me and you always make me smile and proud by showing respect, love and care to me. I always believe in you and you never let me down by showing brilliant result in my subjects. Even though some students were weak in studies but they tried their best to complete the given tasks and showed a positive learning attitude which is the first step to the success. Finally, I assure you that everyone of you will succeed once you focus on your goal and work hard continuously.**

**I wish you good luck for your bright future and hope to see you from time to time after your graduation.**

# Messages from Teachers

恭喜各位同學們順利畢業！畢業不是代表學習的結束，而是標誌學習的新里程。你們要好好珍惜學習的機會，增廣見聞、充實內涵。願你們帶著師長的祝福，保持學習的熱忱，勇於接受挑戰，展翅高飛，豐富生命的喜悅和色彩！

Mr Ha Hok Man

Dear 6B,

What we had in school was great. Despite it is just a short period of time to be your teacher, I can still remember your smile and your laugh.

Your wonderful performances during ZOOM lessons impressed me a lot. Your responses and feedbacks gave me great encouragement in my teaching.

6B, you did a great job! Thanks for giving me such a valuable teaching experience.

Ms Wu Yuen Shan

Congratulations on your primary school graduation! So happy we could be here to watch you graduate with honors.

Keep on growing. Keep adding to the goodness and beauty in the world. Keep developing those unique dreams and talents that make you who you are!

Deputy Head  
Mr Oh Lap Fung

To my 6B boys and girls,

This year has been an unforgettable year for us. Due to the extraordinarily short period of time for us to have face to face lessons, every moment we met was valuable.

You can forget Mr Oh, but I hope you won't forget mathematics. Within these few months, I can see 6B's growth. All of you try your best to think and to learn mathematics. As long as you are willing to put great effort into it, you can be successful. You can set a target for yourself. If you want, you can become a mathematics teacher and then return to teach students at IDPMPS.

Besides academics, don't forget to be also aware of your whole person development. A good personality is a key to success. I hope all of you can be lifelong learners in all aspects.

Finally, I wish all of you every success in your future.
