Supervisor's Message

Mr Ma Fung Wai, Kasim

Dear Graduates,

Congraduate on your graduation!

You have successfully completed the six years of primary education. You are entering another important stage of your life. Here, I would like you to continue cherishing all opportunities to acquire knowledge, put it into practice, and bring benefits to society.

*“Allah, His angels and all those
in Heavens and on Earth, even the
ants in their hills and the fish in the
water, call down blessings on
those who instruct people
in beneficial knowledge.”*

Principal's Message to Graduates

SALIM Sekena

Dear Graduates,

Happy Graduation! You have worked very hard to complete the six years of studies in primary school. Smart Kids, I am proud to be your Principal and witness you grow from adorable young kids to mature young ladies and gentlemen. In the past, and indeed the final two academic years of your primary education, social distancing has brought you learning challenges. You have earned extraordinary experiences of attending lessons via Zoom, submitting home assignments via Google Classroom, and completing assessments on electronic devices. Suspension of face-to-face classes didn't stop your learning. Instead it has allowed you to access online resources and enrich your knowledge with educational videos, audio clips and pictures.

Graduates, the knowledge and skills you have attained are beyond what you should have experienced conventionally. Here on your behalf, I express immense gratitude to the teachers who guided you through all hardships.

Years of exposure to a variety of programmes at IDPMPS have not only helped broaden your horizons, but also have brought you various keys to success. Languages enhance your connotations, maths and science promote your reasoning power, sports energize your mind, music and arts extend your creativity and uniform teams strengthen your self-management. There are other keys vital to your growth that I can't name all, but you should try hard to acquire and grasp them firmly. Possibilities for your future are infinite.

*My Dearest Graduates,
Make good use of all keys.*

Aim high for your future.

And turn your dreams to reality!

Graduation Speech

Dear distinguished guests, Principal Salim, parents, teachers and fellow schoolmates,

Good afternoon. It's my great pleasure to be here to represent all the Primary Six students to deliver the graduation speech which is composed of all the heartfelt messages from everyone of us.

Time flies! We still can't believe that it's the end of our primary school life in the blink of an eye. When it was our first day at IDPMPS, everything was new. New teachers, new friends and new places. We were pretty anxious and even got lost in the corridors (6A Khunsa, 2021). We listened to stories, drew, played games and had fun (6A & 6B, 2021). Soon, we adapted to it. (6A Alishba & Madiha, 2021). Things got more complicated year after year. We started taking on more responsibilities (6A Joyce & Rachel, 6B Malika & Shakeel, 2021). We made crafts for the elderly and learned about kindness (6B Kayani & Musawer, 2021). We were given far more opportunities to explore through project learning, talent shows and many other great activities (6A Saleha & Samawia, 2021). We won many championships. We celebrated birthdays and victories (6A & 6B, 2021). One of the most memorable moments was going for school picnic and having barbeque with the whole class (6A Mo & Nicole, 6B Adan & Ali, 2021). It wasn't easy to start the fire and cook the food (6B Hassan, Ismail & Musawer, 2021) but we enjoyed the time we shared with our teachers and friends (6A Bella & Usman, 6B Isma & Zulaiha, 2021). The food was nice and so were the people. We shared our happiest memories over our time here at IDPMPS (6A & 6B, 2021). Looking back on it, we certainly grew up a lot and learned so many important and wonderful things.

Thank you for supporting us to chase our dreams along the years (6A & 6B, 2021). It's important to recognize all the people that helped get us through today. Ms. Aisha and Ms. Wong, we're deeply moved by all of your positive support. Thank you for believing in us! We enjoy learning with you and always look forward to your lessons (6A, 2021). Ms. Ivy and Mr. Hussain, thank you for being so kind and patient as well as providing a safe environment for us to study (6B, 2021). Principal Salim and all the teachers, you are the best! We could never have made it without you. Teaching is in your blood. You're wonderful and incredibly special (6A & 6B, 2021).

We can't thank our parents enough for supporting us along the way. We're also lucky to have all of our friends always being there for us (6A Atiya & Sahiqa, 2021). We laughed together. We cried together (6B Fatima & Habiba, 2021). Thank you for not judging us because of our colours and accents (6A Nora, 2021). We hope that our friendship will last forever and we will realize our dreams together (6A Atiya, 2021).

Thank you for giving us the key to unlock the door of knowledge (6A Elaine, 2021). A famous leader, Malcolm X, once said, "Education is our passport to the future, for tomorrow belongs to the people who prepare for it today." We'll keep the keys well and continue to explore the world. We'll forever be grateful to have such an inspiring curriculum and professional teachers. (6A & 6B, 2021). Thank you.

天氣熱了，蟬兒叫了，終於來到了離別的季节。

在這六年期間，你們在這所學校經歷了「甜、酸、苦、辣」；你們認識了不少好友知己；你們克服了一個又一個的難關。無論在學業或是做人處事，你們都有顯著的進步。希望你們不會忘記這六年所得到的種種，不論是書本上的知識，或是待人接物的道理，在日後的生活中心一一應用。

愛因斯坦說過：「成功＝艱苦勞動＋正確方法＋少說空話。」在中學的日子裡，請你們把握時間好好學習，發展你們的潛能，不要只顧玩樂，埋沒你們的天賦。即使黃老師不在你們身邊**鼓勵**，你們也要自律，做好學生的本分。

「我們的選擇決定我們成為怎樣的人，
而我們永遠有權力去做對的選擇。」

時光飛逝，一眨眼你們就要離開母校了，我的心情真是百感交集。記得在你們三年級的時候，我開始當你們的副班主任至今，同時我也分別任教華語和非華語班的中文科，期間我們一起付出努力。每當看到你們認真學習的模樣，或在讀文寫作上的進步時，我都會感到非常欣慰。此外，你們在教義課上積極投入地參與課堂活動，也讓我對你們刮目相看！

如今，你們已完成六年的學習歷程，即將順利畢業，除了憑着自己的努力外，還少不了父母和師長悉心的教導和關懷，希望你們都能銘記於心。同時，老師也希望你們能以積極樂觀的態度去面對新的生活和挑戰，向着人生的目標邁進。

最後，希望你們不要忘記老師的用心栽培，謹記「博學愛群」的校訓，把伊斯蘭的精神繼續發揚光大。

Mr. Law Andrew

Congratulations! Time has come and gone so quickly. It has been an amazing journey watching every one of you grow.

We had lots of fun during our lessons. I'm amazed at your strengths and how well you've coped. Hold on to the memories that we have shared. You will always hold a place in my heart.

Among all the things that we've shared, there is one thing I hope you would never change — your kindness. "Cleverness is a gift, kindness is a choice. Gifts are easy — they're given after all. Choices can be hard. You can seduce yourself with your gifts if you're not careful, and if you do, it'll probably be to the detriment of your choices. In the end, we are our choices. Build yourself a great story." Jeff Bezos, the Amazon founder and CEO, once said in a graduation ceremony.

Once again, congratulations on your graduation! I am wishing you every success in this new chapter of your life.

Ms. Poon Shiu Wai

Congratulations to all my beloved graduates! It was a wonderful moment to celebrate your achievement!

As all we know, the time of these two years was not easy. Learning did carry on. However, the mode was completely different. You were not sitting next to each other in a classroom. Instead, I saw your face on my desktop. You heard my voice through the speakers of the tablets. There was a distance between us. Yet, such distance is not a matter. It could not end your passion for learning. I was really amazed at most of your performance in learning via Zoom. Your strong determination and perseverance impressed me indeed. I was so delighted to see that some students got significant improvement in General Studies though there were Zoom lessons in that period! Definitely, the key factor to success is the great effort you put in your studies.

Time is always running too fast especially during the period of pandemic. However, I feel very grateful to be with you these two years. 6A, keep working hard and striving for excellence. A promising future is lying ahead!

Mr. Yu Kwok Kin

Congratulations to all P.6A students!

As I taught all of you General Studies in P4, your smile, energy, and performance in class gave me a strong impression. This year, I am lucky to teach you Computer Studies and Mathematics. Although many lessons are conducted in online lessons due to COVID-19 this year, your passion for learning never stops. Your performance encourages me. Hope all of you can achieve better results in secondary school and achieve a successful career in the future.

"With great power and wisdom come great responsibility!"

Ms. Wu Yuen Shan

Today is just the first of many proud moments for you. Congratulations!

Make the most out of the knowledge you learned from school. As you graduate, keep working hard. Thrive to success. May you achieve many more goals in your life and inspire others around you."

Ms. Kwan Tsz Yan

Congratulation 6A!

All our dreams can come true if we have the courage to pursue them. Hope you can always remember that drawing can help you relax and have joy.

各位 6B 的同學：

轉眼間就當了你們兩年的班主任了！直到如今，我還未能相信你們將要踏入另一階段—中學的生涯。回想起與你們相處的片段，實在令人五味雜陳。

雖然老師經常提醒你們要成長、處事要更成熟，聽起來就像你們還是十分幼嫩。然而，老實說，你們在這短短的兩年間，其實進步了不少：從以往因小事就起紛爭，到現在能夠融洽相處；從不懂安排自己的時間，到現在能獨立，甚至能照顧同儕；從以往的不懂事，到現在能體會老師的心情……這些循序漸進的成長，老師們都記在心中。

最後，感謝你們在這兩年給予老師愉快的時光，感謝同學享受課堂，感謝同學視老師為朋友，與我們分享笑話及生活的點點滴滴。盼望你們能在未來找到自己的方向，發展所長，保持樂觀積極的心！

I advise you to be positive and confident and deal with every aspect of life tactfully and you will surely be successful in life. Congratulations on your graduation and many more rewards await you.

Deputy Head
Mr. Oh Lap Fung

6B students gave me an amazing teaching journey this year. In our computer lessons, we learnt Scratch, AI, and 3D modelling. Because of the pandemic, most of our lessons were conducted in Zoom. When I was teaching my lesson through the tiny computer screen, I asked 6B students to do online tasks after my demonstration. It was a black hole, which I can't confirm what they were doing behind the computer. I am worried about they were playing online games instead of doing assigned online exercises.

Finally, we can have face-to-face lessons, I asked them to do some online tasks again in school. Unexpectedly, they can show all previous knowledge. It was amazing! They were growing up! They can behave themselves in the lesson even though we were in remote learning mode.

*6B students, you are so smart!
I love all of you.*

Ms. Lit Sze Wah

"Shalom to you my friend. Shalom until we meet again." May you achieve more goals in your life and inspire others around you. Please remember the song that we have learned: "Try everything" from ZOOTOPIA. Never give up until you reach the end! I was so glad to share this exciting moment with you! Thank you for your thoughtful contributions to the classroom. I wish you all the best!

時間過得真快，不經不覺又到了畢業季節，今日是你們的大日子。回想你們一年級時，每位同學都是小個子，轉眼間大家都長成「小大人」了。看到你們的成長，老師真的很安慰！

在你們的小學五、六年級，我有幸可以陪伴你們，跟大家一起學習、聊天，真的很開心！你們快要離開小學，升上中學，我真的很不捨。天下無不散之筵席，祝你們前程錦繡。

Ms. Wan Wing Yi

時間匆匆，兩年就這樣過去，兩年來看着你們有可愛活潑的一面，也有認真努力的一面。將來，你們可能面對更多、更大的挑戰，甚至困難障礙，但不要灰心，不要放棄希望，因為你們擁有無限的青春、藏著無限的潛能，充滿無限的活力！

Ms. Lu Szu Ying

I still vividly remember when you were in P4 and I was your class teacher, we shared lots of joyful moments. In P6, I was happy to return as your Putonghua teacher. I can feel your energy and passion in every lesson. Please always keep this attitude and stay motivated to learn. I wish you every success in your future endeavors. It is hoped that the past six years you have spent in IDPMS has been fruitful and rewarding. Remember, teachers have high expectations of you to be honest and disciplined for society.
